

Binding and Finishing Equipments

Folding Machines

- Stahl combination folding machine KL 78 (2nos.), one with hhs gluing attachment.
- Heidelberg stahl TD 78 buckle folding machine (6+6+VFZ+SBP) with round continuous feeder and automatic stacker. Additional features : double gate fold attachment, gluing attachment, creasing against PU and map folding features.

Cutting / 3- side trimming Machine

- Pollar 115 automatic programmable machine (2 nos.)
- Perfecta three side trimmer.

Hard Cover Binding :

- Automatic thread sewing machine.
- Kolbus Automatic Case making machine with a speed of 2160 copies per hour.
- Automatic End sheet Tipping machine, with inserting option.
- Praform Book Pressing and Joint-Setting Machine (2 nos.)
- Ochsner Belt Grinding machine.
- Ochsner Guilding machine.
- Karl Tranklein corner cutting machine.
- Hunkeler Book Pressing machine.
- Karl Tranklein Hydraulic Book Pressing machine.
- Hunkler Glue Applicator.
- Symbol Glue Applicator.
- Hunkler Pressure roller press.
- Corner clipping machine.
- Dual Needle Leather sewing machine.

Soft Cover Binding:

Perfect binding :

- Muller Martini Tigra perfect binding machine - 10 clamp binder with inline 10 station signature gatherer and cover feeder.
- Sulby (10 clamp) perfect binding machine.
- Sulby perfect binding machine.
- CP Bourg perfect binding machine.
- Muller Martini 12 station gathering line.

Saddle Stitching :

- Muller Martini saddle stitching machine with 8 station signature gatherer, cover feeder and inline three side trimmer.
- Hohner dual head wire stitching machine.
- Single Head Wire Stitching machine (3 nos.)
- MCCain 2000 saddle stitching machine with 6 station signature gatherer, cover feeder and inline three side trimmer.

Collator :

- C.P.Bourg loose leaf collator, 20 bin with automatic stacker.

Wire-O / Spiral Binding :

- Renz autobind automatic wir-o binding machine.
- Swigraph Wire-o punching, cutting and closing machine.
- Renz Wire-o punching, cutting and closing machine.

Comb binder :

- Renz Comb Binder

Numbering :

- Morgano Rotary Numbering machine with Zacares numbering boxes, creasing and perforation attachment.
- Heidelberg automatic platen press with Libeinger numbering boxes.

Custom / Standard envelope, folder and box fabrication:

- Fidia Folder gluer for automatic fabrication of envelopes, folders, capacity folder and capacity boxes.
 - o Fidia Combi unit with two hot melt glue applicator and tape applicator and additional attachments – Unica – Estro – Mohandas.
- Straub Auto double side tape applicator with dual tape applicator head.

Finishing :

Hot foil stamping / Embossing :

- Baier hot foil stamping and embossing machine (4 nos.)
- Kluge automatic hot foil stamping machine.
- KB & E semi automatic hot foil stamping machine.
- Automatic B & H Foiling Machine.

Zinc / Magnesium Chemical Etching Machines

- Etching machine for preparing relief metal blocks.
 - o (Magnesium / Zinc)

Die making :

- Complete Sandvik die making equipments and dies.

Die cutting / creasing and perforation:

- Delux Die cutting machine max. sheet size 700 x 1000 mm.
- Heidelberg SBB flat bed cylinder press.
- Graphic Whizard FM 200 Air fed Scoring and perforating machine.
- Bickel perforating and creasing machine.

Varnishing :

- Thieme Screen printing machine max. sheet size 780 x 1080 mm with UV dryer for UV spot varnishing, gluing and printing.
- Montakop ST printing down frame with exposure lamp and dryer, for Spot UV / screen printing stencil preparation.
- Screen printing stencil washing unit.

Laminating :

- Champion CAGL 1020 laminating machine with non stop feeder and LSS 1020 sheeter.
- Eurobond Merlin LM 88 water based laminating machine.

Thermography :

- Thermo Type thermography machine.

Packing and Forwarding:**Shrink Wrapping :**

- Conorme LC 800 semi automatic shrink wrapping machine.
- Robopac Fully automatic shrink wrapping machine.

Mail Bag Machine :

- Mini Pack Torre poly bagging machine.
- Poly sealing machine (4 nos.).

Bundling / Poy strapping machine :

- Heidelberg ATS Ultrasonic Bandar.
- Keybono Poly Strapping Machine.
- Stahl HSB Poly Strapping Machine.

Other equipments :

- Constantin Hang dual head paper drilling machine.
- Count-Wise I & M sheet counting machine.
- Eyeleting machine (5 nos.).
